

# Tactical-i AT-2TL

Fully Covert 940nm Infrared

## Compact Outdoor/ Indoor 940nm IR

The AT-2TL is a completely covert, compact, lightweight IR illuminator. It has a flat profile, only 1/2" thick, and measures 2.65" X 3.75". Mount it indoor or outdoor on a ceiling or wall.

## Quick, Easy Installation

Easily mounts to metal surfaces with built-in magnets, with Velcro strip, or #10-32 screws. It uses standard 12 VDC power.

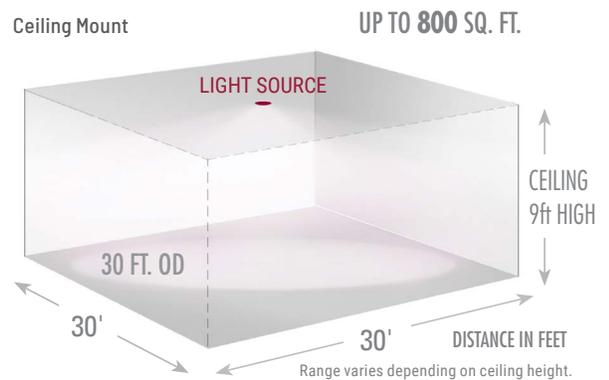

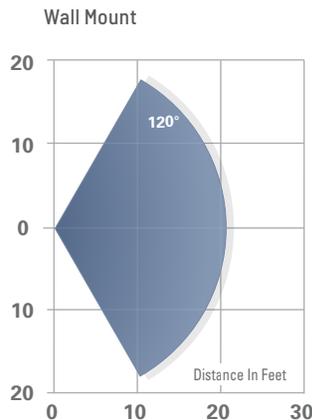

## Lifetime Warranty - Made In The USA

All AXTON Lights are covered by a lifetime warranty and designed and manufactured in the USA.
