

Tactical 3TM

Compact 940nm IR Illuminator

Compact Outdoor/Indoor 940nm IR Illuminator

The Tactical 3TM is a fully covert 940nm IR Illuminator. The 3TM is compact and ideal for smaller areas. It is outdoor IP67 rated for use indoors or outdoors. Choose from three range/angle options to match the light to the cameras field of view.

Easy Integration and Control

Seamless and precise control via Input/Output ports. Sync with camera, sensors or other system devices with I/O ports. For easy integration, a built-in photocell switches the IR ON/OFF based on lighting conditions

Lifetime Warranty - Made in the USA

AXTON Lights are covered by a lifetime warranty with advanced replacement.
